1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

- 2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent communications at 30 months from the date of filing of the application. The USPTO will delay the publication of an application if it is made available to a third party before the USPTO can publish it earlier than 30 months from the filing date or 20 days from the date referred to the agency. This is in addition to the delay of the publication of an application if the applicant delays the filing of the application. "Under the current law, the USPTO will not publish an application until it has received a response to the applicant's request for publication." Unless a response is provided to the USPTO regarding the request for publication, the USPTO will not publish the application.
